SUN KWANG ELECTRONIC

45BL-6LT NamDong-KongDan 435-6
Nonhyun-Dong, NamDong-Ku, Incheon
Korea

Item Identification: Devices acc. to EMC Directive

Area Sensor

Item Description: SK-2024R

Input: 12 V d.c., 200 mA

The equipment complies with the principal protection requirements of the EMC Directive (Directive 89/336/EEC relating to electromagnetic compatibility) based on a voluntary test.

This attestation applies only to the particular sample of the product and its technical documentation provided for testing and certification. The detailed test results and all standards used as well as the operation mode are listed in

Test report no. : ERI-EN03-0047

Test standards: EN 60947-5-2:1998

This attestation is released with the above mentioned attestation number by the Certification Body of TÜV PRODUCT SERVICE. It does not permit the use of a TÜV PRODUCT SERVICE certification mark.

After preparation of the necessary technical documentation as well as the conformity declaration the CE marking as shown below can be affixed on the equipment as stipulated in Article 10.1 of the Directive. Other relevant Directives have to be observed.
